

Officer:	Campaigns Officer (Yu Xu)
Date of panel:	04/11/2020

Written Statement action plan

Summary of Written Statement Items	
Promote campaigns significantly with adjustments due to pandemic to achieve the original key aims even though some statements and relevant policies have to be changed to 'make real sense'.	
Context:	Make campaigns easier regardless of whatever situations.
Progress:	<p>Communicate with Thomas Snape (Policy and Campaigns Coordinator) to make more clear agreements about the direction of work based on 'current and updated' role and responsibilities and pandemic.</p> <p>Investigate the thoughts of students (of different backgrounds) and the general situations of how campaigns or events related have been going in current conditions to make further adjustments and plans while cooperating or hosting to promote the proceeding of campaigns existing or potential campaigns and the events related.</p>

Role and responsibilities

Meeting / project	Outcome for students
-------------------	----------------------

EDI, Joint Honours & Incoming Exchange student events of College of Arts and Law including 'Pathways to Birmingham and students who are the first in their family to go to university ('first generation') community social' and Students returning to education community social.
